The above tax estimates use last year's tax rates for the taxing units. The governing body of each unit -- school board, county commissioners, and so on -- decides whether property taxes increase. The appraisal district only determines your property's value. The taxing units will set tax rates later this year. The Texas Legislature does not set the amount of your local taxes. Your property tax burden is decided by your local elected officials, and all inquiries concerning your taxes should be directed to those officials.

If you are 65 or older and received the \$10,000 school tax exemption on your home last year from the school listed above, your school taxes for this year will not be higher than when you first received the exemption on this home. If you improved your property (by adding rooms or buildings), your school tax ceiling may increase for improvements. If you are a surviving spouse age 55 or older, you may retain the school tax ceiling.

Contact the appraisal office if you disagree with this year's proposed value for your property, or if you have any problems with the property description or address information. If the problem cannot be resolved, you have the right to appeal to the appraisal review board (ARB). To appeal, you must file a WRITTEN protest with the ARB before **07/30/2010**. Enclosed is a protest form to mail or bring to the appraisal district office at the address above before the above date. The ARB will begin hearings on . The ARB will notify you of the date, time, and place of the scheduled hearing. Enclosed also is information to help you in preparing your protest. You do not need to use the enclosed form to file your protest. You may protest by letter, if it includes your name, your property's description, and with which appraisal office action you disagree.

If you have any questions or need more information, please contact the appraisal office at the phone number or address listed above.

Sincerely,

DOMINGO PALOMO - Chief Appraiser BEE COUNTY APPRAISAL DISTRICT
